

Swing your club with even more purpose this summer!

Golf for Good is about local clubs supporting local women facing cancer – helping to ensure they have the opportunity to participate in local Feel Better Workshops.

Look Good Feel Better workshops are a truly tangible way of seeing your donation in action. They provide the opportunity for anyone diagnosed with any cancer to face their cancer with more confidence, self-esteem and a sense of normality, at a time that is anything but normal.

So while you are out on course or attending a She Loves Golf event - and doing something great for your well-being, you can collectively be uniting to support women in your community facing cancer.

Even if it's not your perfect round, it's the perfect way to come together to create a feel good moment.

Good Golf. Golf for Good. Good for you!

Why women's golf?

- Promoting comradery and fun
- Get women on course together
- Focus on the **experience** as well as the golf
- Another reason to hit the outdoors – great for you whilst directly supports women in your community

Small actions make a big difference

- Shared lunch
- Pamper session afterwards
- Raffles
- Entry fee donation for the day with prizes
- Longest drive or closest to the pin sweepstakes
- Mini events or bring a friend along
- Quiz

You and your club can make a difference Pamper yourselves, have a laugh, treat yourselves, challenge yourselves....

We can provide your club with a **beauty hamper** that can be used on the day how you choose to help generate fun and funds. There will also be **prizes** for the most original idea and most funds raised!

Thank you for being part of Golf for Good and supporting Look Good Feel Better NZ

To ensure your funds are put to great use for local women, please arrange a bank transfer into:
